IN RE:	Application of MetaNet Internet Solutions, Inc.)	ORDER CANCELLING
	for a Certificate of Public Convenience and)	CERTIFICATE
	Necessity to Provide Local Exchange)	
	Telecommunications Services within the State)	
	of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of MetaNet Internet Solutions, Inc. (MetaNet or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide local exchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted MetaNet authority to provide telecommunications services in the State of South Carolina by Order No. 2004-492, dated October 13, 2004.

On April 18, 2006, MetaNet, through the Company's President and CEO, advises the Commission that the Company ceased operations in October, 2005, and that MetaNet seeks cancellation of the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina.

As MetaNet is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that MetaNet's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

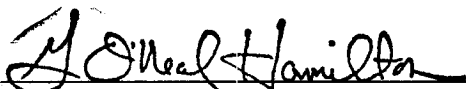

1. The Certificate of Public Convenience and Necessity to provide local exchange telecommunications services in the state of South Carolina authorized by Order No. 2004-492, dated October 13, 2004, issued in the instant docket to MetaNet Internet Solutions, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
